WPDSAA OFFSHORE LEAGUE - 2011 SEASON **CONCEPT & PARTICIPATION**

A. AIMS

- A.1 To promote and develop light tackle game fishing wherever possible amongst all anglers affiliated to WPDSAA, with the aim of establishing the top anglers in order to select competitive Western Province teams.
- A.2 To ensure all League competitions are fished fairly and all anglers can participate on as equal a basis as possible.
- A.3 To ensure all boats can participate, subject to legal restrictions of the craft concerned.
- A.4 To find the top angler in each category, top boat and top club.
- A.5 To reward any angler or club for their performance, as the WPDSAA may deem fit.

B. TOURNAMENT COMMITTEE

WPDSAA Tournament Officer (or his duly elected nominee if unavailable)

Tournament Officer of each participating club (minimum three (3) OR their duly elected nominee in the event of unavailability, to be confirmed prior to the start of each leg, who will be available at the venue half-an-hour prior to launch and again, until close of scales.

C. WEATHER COMMITTEE

WPDSAA Tournament Officer (or his duly elected nominee if unavailable)

WPDSAA Radio & Safety Officer (if available)

CLUB Tournament officers (minimum three (3) or their duly elected nominee in the event of unavailability.

AFFILIATIONS : SADSAA / WPAU / IGFA / NSRI

FISHING FOR THE FUTURE

[NB it is imperative that a neutral balance of elected nominees is maintained throughout the season so as there decision-making does not cause subjectivity]

D. DATES

**D.1 EIGHT (8) League weekends have been selected.
A maximum of SIX (6) legs will be fished if possible**

EIGHT (8) selected weekends ONLY to be fished concurrently until a maximum of SIX (6) LEGS are fished with no spare weekends, with the Saturday being the fishing day and the Sunday being the alternative fishing day.

D.2 If by 10h00 no fish have been boated and the event is **called off due to bad weather**, the event shall be considered **cancelled** and will be re-allocated to the next available date.

E. VENUE

Launching will be from any WPDSAA affiliated club-launching venue.

Participating venues must supply their own certified scale.

F. BRIEFING

There will be a Tournament Officers briefing hosted by the WP Tournament Officer prior to the commencement of the season, to discuss any rule changes and new dates and elect the seasons Tournament Committee and the seasons Weather committee, or their elected Nominees.

A league brief prior to the commencement of a league weekend is to be done by the WP T/O and distributed to all the club T/O's.

It is the duty of the club Tournament Officer's to advise all league Skippers and Anglers, prior to the commencement of the season, the new rules and elected dates for the season.

G. WEATHER CONDITIONS

G.1 The Weather Committee, with the aid of the Weather Stations, can decide by a unanimous vote, if the event is NOT to take place, due to inclement weather conditions by 19h00 on the **WEDNESDAY** prior to the league and notified via the WP tape .If this is not possible Rule G.2 below applies.

G.2 A decision must be made on the Friday or Saturday by 19h00 whether the league will be fished, if this is not possible a further decision must be made three hours (3) before launch time of the league taking place i.e 02h00 during November/December and 03h00 during March, April, May , June and October.

G.3 In the interests of the league being fished and knowing that the weather will moderate a delayed decision can be made on the actual day, which will at latest,

AFFILIATIONS : SADSAA / WPAU / IGFA / NSRI

FISHING FOR THE FUTURE

be taken by 07h00 during November/December and 08h00 during March, April, May June and October.

WEATHER DECISION

- G.4 For reasons of safety, lines-up may be called early by **MAJORITY VOTE** of the elected Weather Committee or their nominee, under which circumstances any angler fighting fish **MUST CUT-OFF IMMEDIATELY**
- G.5 For reasons other than safety, lines-up may be called early by **UNANIMOUS VOTE** of the elected Weather Committee or their nominee, under which circumstances any angler may continue fighting fish for 10 minutes after the lines –up call.
- G.6 **The weather committee ONLY will use channel 69** in the case of making these weather decisions at sea and may not be interrupted by any other persons when making these decisions.

H CONDITIONS OF PARTICIPATION

Failure to comply with conditions of participation may result in the individual angler's scores, boat score and club score not being scored and/or disqualified.

- H.1 Participating boats will carry a current SADSAA safety disc number and it must be entered on the registration form **together with the boat registration number** by close of scales.
- H.2 All anglers must be registered members, in their own right, of this Association.
- H.3 All anglers must fill in their Western Province angling numbers on the registration forms. The onus will rest with each angler to remember his/her angling number.
- H.4 New anglers must affiliate to Western Province through their respective clubs within two weeks of fishing a leg. The onus will rest with the skipper to ensure that the new angler gets affiliated. **If the angler does not affiliate within the two weeks, the boat and new angler will not be scored.**
- H.5 All vessels participating in the league do so as amateur sports anglers, under the auspices of the WPDSAA. As such, the laws pertaining to sport and recreation regarding **bag limits**, minimum sizes and protected species are binding on ALL participants.
Boats carrying a LT or TP or any other commercial type license **MAY PARTICIPATE IN THE LEAGUE** provided it is in accordance of their regulations and that they abide by the rules as set out
- H.6
 - a) The registration form must be signed, clearly stating name of boat, **registration number of boat (this reg number must be accurate as the WP scorer will be using it in future to identify your vessel)**, SADSAA disc number, names of each team member, name of club they represent and the line class **and brand of line used**, before launching. Registration books and a certified scale must be available at all participating launching venues.
 - b) All vessels must book out with Radio Control (PENQUIN or SCARBROUGH) who ever is available as soon as the vessel leaves the harbour and is in radio contact with Radio Control. The information given

[AFFILIATIONS : SADSAA / WPAU / IGFA / NSRI](#)

FISHING FOR THE FUTURE

- must be - intended course, number of persons on board, point of departure and line class. On return all boats must book back to Radio Control.
- c) In the event of mechanical failure of vessels, contact is to be made with the elected Control boat and Radio Control to notify them of the problem and the host T/O may consider an extension of the scales closing time.
- H.7 The onus will rest with the Skipper of each boat, regarding the Safety of his/her crew, on whether to go to sea or not. Should the skipper decide to go to sea, he/she does so at his/her own risk and indemnifies WPDSAA of all risk and legal implications.
- H.8 Provincial or SADSAA representation on a league day the anglers concerned will NOT score but will be adjudged as FISHED in the league for the provincial selection criteria process only.
- H.9 For reasons of safety and as a precautionary measure all skippers are to be aware of the 300m radius whilst fishing behind Stern Trawlers when they are pulling their net in the event of the net “popping” up.

RULES
